

Prof. Dr.Md. Taslim Reza

Professor, Department of Electrical and Electronic Engineering

Uttara University, Dhaka, Bangladesh

House 26, Lane 1, Block B, Section 6, Mirpur, Dhaka, Bangladesh

Mobile: +8801753156131 | E-mail: taslim@uttara.ac.bd

PROFESSIONAL PROFILE

Professor Md. Taslim Reza is an academician, researcher, and engineering consultant with extensive experience in Electrical and Electronic Engineering, medical image processing, biomedical engineering, signal processing, medical instrumentation, optical communication, laboratory development, and academic administration. He joined Uttara University, Dhaka, Bangladesh as Professor in the Department of Electrical and Electronic Engineering on 5 May 2026. Previously, he served as Professor at the Islamic University of Technology (IUT), a subsidiary organ of the OIC, and held major administrative responsibilities including Head of Planning, Procurement and Development. His research work includes breast elastography, modulus reconstruction, tissue modeling, medical imaging, and engineering applications of signal processing.

CORE AREAS OF EXPERTISE

Academic and Technical Expertise	Administrative and Institutional Expertise
- Medical Image Processing and Tissue Modeling - Elastography Imaging and Modulus Reconstruction - Medical Instrumentation and Biomedical Engineering - Digital Signal Processing and Communication Engineering - Electrical Machines and Power Electronics - Optical Communication and Applied Signal Processing	- Planning, Procurement and Development - Laboratory Setup, Development and Management - Establishment of New Academic Departments and Programs - Student Hall, Cafeteria and Medical Center Management - Substation Management and Institutional Committee Work - Organization of International Academic Events and Programs

CURRENT APPOINTMENT

Current Position	Professor, Department of Electrical and Electronic Engineering, Uttara University, Dhaka, Bangladesh
Joining Date	5 May 2026
Specialization	Medical Image Processing, Biomedical Engineering, Signal Processing, Medical Instrumentation, Optical Communication, Electrical Machines, and Power Electronics

ACADEMIC EMPLOYMENT

Period	Position / Details
05 May 2026 - Present	Professor, Department of Electrical and Electronic Engineering, Uttara University, Dhaka, Bangladesh.
2022 - 2025	Professor, Department of Electrical and Electronic Engineering, Islamic University of Technology (IUT), Gazipur, Bangladesh.
2019 - 2022	Associate Professor, Department of Electrical and Electronic Engineering, Islamic University of Technology (IUT), Gazipur, Bangladesh.
2012 - 2019	Assistant Professor, Department of Electrical and Electronic Engineering, Islamic University of Technology (IUT), Gazipur, Bangladesh.
2009 - 2012	Assistant Professor, Department of Electrical and Electronic Engineering, American International University-Bangladesh (AIUB), Dhaka, Bangladesh.
2005 - 2006	Lecturer, Department of Electrical and Electronic Engineering, Ahsanullah University of Science and Technology (AUST), Dhaka, Bangladesh.

ACADEMIC QUALIFICATIONS

Period	Position / Details
2013 - 2019	Doctor of Philosophy (PhD), Islamic University of Technology (IUT), Gazipur, Bangladesh. Thesis: Breast Elastography Modulus Reconstruction from Simultaneous Acquisition of Stress and RF Echo Signal. The work proposed and validated a modulus reconstruction algorithm for quasistatic elastography, simulated breast tissue modeling, and best-frame selection from elastography sequences.
2006 - 2008	Master in Biomedical Engineering, Tampere University of Technology (TUT), Tampere, Finland. CGPA: 4.03; ranked first; received Rector's Award. Thesis: Vignetting Artifact Reduction for Digital Camera Image. Funded by NOKIA, Finland.
2002 - 2005	Bachelor of Science (B.Sc.) in Electrical and Electronic Engineering, Islamic University of Technology (IUT), Gazipur, Bangladesh. CGPA: 4.81 out of 5.00; completed with distinction and OIC scholarship.
2001	Higher Secondary Certificate (HSC), Notre Dame College, Dhaka, Bangladesh. Total Marks: 843; Bangladesh Government Scholarship.
1999	Secondary School Certificate (SSC), Khulna Zilla School, Khulna, Bangladesh. Total Marks: 840.

RESEARCH EMPLOYMENT

Period	Position / Details
2009	Researcher, Department of Signal Processing, Tampere University of Technology (TUT), Tampere, Finland.
2008	Research Assistant, Department of Signal Processing, TUT, Tampere, Finland.
2007 - 2008	Research Assistant, Department of Signal Processing, TUT, Tampere, Finland.
2007	Research Assistant, Institute of Measurement and Information Technology, TUT, Tampere, Finland.
2007	Trainee Research Scientist, Valtion Teknillinen Tutkimuskeskus (VTT), Tampere, Finland.

ADMINISTRATIVE AND CONSULTANCY INVOLVEMENTS

Period	Position / Details
2025 - Present	EEE Lab Development Consultant, Asian University of Bangladesh (AUB).
2025 - Present	Senior Consultant, Imperial Engineering and Consultancy (IEC).
2022 - 2024	Head, Planning, Procurement and Development, IUT.
2020 - 2022	Assistant Provost, Male Hall, IUT.
2018 - 2022	Member, Medical Center Management Team, IUT.
2019 - 2023	Member Secretary, Internal Rules and Regulation (IRR) Review Committee, IUT.
2016 - 2024	Laboratory in Charge, Biomedical Lab, EEE Department, IUT.
2015	Short Course Coordinator for EEE Department, IUT.
2013	Short Course Official for EEE Department, IUT.
2021 - 2024	Chairman, Program of Action under OIC for IUT.
2019 - 2022	Chairman, CDS Management Committee.
2014 - 2024	Served on more than 50 institutional committees, including the Organogram Committee Review Committee of IUT.

SCHOLARSHIPS AND AWARDS

Period	Position / Details
2023	Best Paper Award for "Structure-Enhanced Translation from PET to CT Modality with Paired GANs," ICMVA 2023, Singapore.
2008	Rector's Award for outstanding result in Master's Program, Tampere University of Technology, Finland.

2003	OIC Scholarship for three years during Bachelor Program.
2002	Bangladesh Government Scholarship at Higher Secondary level.
